Serial No: 88728723

EX PARTE APPEAL

Plaintiff, through its counsel of record, requests, for good cause, a second thirty (30) day extension to file an Appeal Brief. This is the Plaintiff's second request.

"An extension of time for filing an appeal brief in an ex parte appeal to the Board may be granted by the Board upon written request showing good cause for the requested extension"

TBMP 1203.02(d).

Due to worldwide pandemic and the spread of the multiple variants and more contagious variants, Plaintiff and its attorney have not been able to meet and plan as originally scheduled.

Since filing its first extension of time request, the pandemic has only worsened. Documents Plaintiff's attorney needs are contingent upon meetings and all workers being back to work.

Plaintiff requests the Board's indulgence during this unprecedented time. Plaintiff requests until October 10th, 2021 to file the Appeal Brief.

Respectfully Submitted on this the 9th day of September, 2021,

s/Nathan Brown
